PROFESSIONAL EXPERIENCE

- **Principal City Planner/Preservation Lead**, City and County of Denver, Denver, CO; June 2009 – July 2011. Served as the city's historic preservation officer, responsible for guiding the vision for city growth, land use, design, and infrastructure development within the context of the Landmark Preservation program. Coordinated the activities of staff involved in historic designations, design review, tax credits, and environmental (Section 106) review. Provided technical and policy guidance to city staff, governmental officials, boards and commissions, and regional, state, and national preservation agencies. Conducted community-wide presentations and training on historic preservation issues and established and fostered relationships with preservation advocacy and community organizations.
- **Main Street Manager/Executive Director**, Quakertown Alive!, Quakertown, PA; January 2005 – August 2006. Directed the borough's downtown revitalization program through organization, economic restructuring, urban design, and promotions centered on principles of conserving and capitalizing on the historic built environment. Responsible for the management and development of staff and volunteers. Worked with the board to develop a strategic plan and work plan, a fundraising campaign, and an operating budget. Raised over \$500,000 in grant funding for various programs in one year. Created successful partnerships with over twenty different local and regional organizations.
- **Associate**, Noble Preservation Services, Zionsville, PA; June 2004 – January 2005. Performed historic paint and mortar analyses, cleaning assessments, condition surveys, and building investigations. Use of optical microscopy and wet chemical analysis; interpretation of instrumental analytical techniques (XRD, SEM, FTIR). Worked with clients on Investment Tax Credit projects (submission of Part 1, Part 2, Part 3 forms) and assistance in cultural resource surveys and historic district nominations.
- **Architectural Technician**, Northeast Region, National Park Service, Philadelphia, PA; June 2003 – September 2003. Performed Section 106 review/consultation of affected resources in Fort Monroe, VA and the Gifford Pinchot NHL in Milford, PA. Helped plan conferences and workshops related to preservation planning and architectural/building conservation. Drafted Cooperative Agreements and reviewed HABS/HAER documentation. Designed a region-wide NHL database in Microsoft Access to replace the existing version supplied by the Washington, DC office. Completed a nation-wide survey of K-12 heritage education programs, organizations, and funding sources.
- **Architectural Conservation Technician**, Eastern State Penitentiary Historic Site, Philadelphia, PA; September 2002 – May 2003. Repaired and consolidated historic wood windows. Performed desalination of a stone wall and removed damaging cement mortars by hand. Assisted in various restoration/stabilization projects, including weatherproofing damaged skylights with temporary skylight boxes.
- **Curator**, Please Touch Museum, Philadelphia, PA; June 2002 – September 2002. Caretaker of the museum's collections which consisted of playthings and associated objects from the 19th and 20th centuries. Helped plan a \$250,000 exhibit focusing on the playthings of America's children over the past half century.
- **Archives Assistant**, Special Collections and Archives, Southeast Missouri State University, Cape Girardeau, MO; August 2001 – May 2002. Responsible for cataloging, summarizing, and preserving historic documents with a special emphasis on using technology in the preservation process.
- **Assistant Site Administrator**, Felix Valle State Historic Site, Ste. Genevieve, MO; April 2001 – August 2001. Created a master plan for the long-term preservation of French Colonial post-in-ground houses.

Jeremy C. Wells

Responsible for creating brochures, press releases, and interpreting the Felix Valle House (built in 1818) and the Amoureux House (built in 1792) for visitors. Created drawings of the Jacobs House using AutoCAD as part of a mitigation process for its removal from the site.

- **Executive Director**, Historical Association of Greater Cape Girardeau, Cape Girardeau, MO; September 2000 – May 2002. Responsible for the site administration of the historic Glenn House (built in 1883), and the Reynolds House (built in 1857). Other responsibilities included public presentations, education, coordinating volunteers, grant writing, and creating public relations materials.
- **Project Manager/Information Systems Manager**, NW MediScript, Inc., Kennewick, WA; July 1995 – August 2000. Managed a team of programmers and support staff in the implementation of mission critical projects. Planned, authorized the purchase of, and supervised all computer-based information systems used in the company. Responsible for developing an infrastructure to support telecommuting employees and developing and maintaining the organization's web presence.

ACADEMIC CONFERENCE PLANNING AND ORGANIZATION
